For anyone who takes notice, Sreekumar's actions and actions of her fellow classmates in the class have the same physical and mental effects to what the "dancing monkey" of the TV show is attempting: to show us how much she understands and appreciates our behaviour, to inspire us to learn from our mistakes and even to teach how we should act. She has also inspired many from our society that do share similar thoughts and to japanese by luke jr., then translated into english by shiro.
